2026 CFP Championship Courtesy Charts

The following are a variety of the football layouts & premium services we offer for which to enjoy the game.

These are formatted to LETTER size so you can print from home. Thus, the text may seem small, as most of our charts are formatted to 11x17 tabloid size.

□ This 1- pager w/ NO STATS, Kirk Herbstreit's preference.

□ Chris Fowler prefers the same 1- pager w/ NO STATS, but w/ a slightly different layout of the offensive backfield.
